

On June 26, 1925, thirty-three Milford business leaders gathered for the first dinner meeting of The Milford Rotary Club. Rotary International granted the club its charter on July 3, 1925, followed by the first official meeting a week later. Thus began the first one hundred years of service by The Milford Rotary Club not only to the Milford Community, but to the national and international causes Rotary has promoted.

Many Milford leaders have been Rotarians coming from all walks of life: bankers, physicians, businessmen, farmers, lawyers, accountants, just to name a few. Each has dedicated their service to make Milford a better place to work, live and play. Examples of their efforts include within just the last forty years contributions to students in the Milford School District for academic achievement, support for the music programs and college scholarships in excess of \$500,000.00. The Milford Rotary Club participated with other local Rotary clubs to build the Can Do Playground in Silicato Park which provides a Southern Delaware playground for children of all physical capabilities, so no child has to sit on the sidelines watching others play. That project's budget exceeded \$800,000.00. Internationally, The Milford Rotary Club annually contributes to the Rotary Polio Plus Program which has virtually eliminated polio throughout the world. These are past efforts, but The Milford Rotary Club is looking to the future. There is no telling what awaits Rotarians in the next one hundred years, but be assured the Rotarians will be in the forefront of service to the community.

Please assist The Milford Rotary Club as it celebrates its past, but looks to its future. A gala event is planned for Saturday, June 21, 2025 at Big Oyster Brewery in Milford. There will be dinner, dancing and a recognition of the Club and the donors to the event. The giving levels and recognition packages are set forth in this brochure. All net proceeds from the event will fund our service projects. We would welcome an opportunity to meet with you and explain the benefits. Thank you for your anticipated support.
